## WHAT IF THERE REALLY WAS GOOD NEWS?

Christianity Explored

ST SIMON & ST JUDE  
WITH ALL SOULS

### All Age Prayer Meetings | 4pm

3<sup>rd</sup> May, 7<sup>th</sup> June, 5<sup>th</sup> July

Central Teaching Evening

### What does God think about my technology?

17th June @ 7pm

### Next course starts 6th May 7.30pm

Many of us are looking for good news in a dark world. Christianity Explored is an informal series of seven sessions for those who would like to look into the Christian faith - which claims to be the good news we're looking for. It explores who Jesus was, why he came, and what it means to follow him.

You will not be asked to pray, sing or read aloud, and you are free to ask any questions you like. If you prefer, you can just come along and listen.

# Summer Term Services & Events

Technology is everywhere - from phones and games consoles to TVs and AI. Even church services rely on it, yet it often seems to create as many problems as opportunities. So what does God think about it? And does the Bible have anything to say about how we use it well?

Come along and explore these questions and more.
