HOPE | EXPLORED

Find out more

Wednesday 14th January

7.30 - 9.00pm

held in a local home

With all the uncertainty in the world today, many will be asking questions like:

"Where can I find hope?"

"Is it possible to find peace?"

"What's the purpose of life?"

The **Hope Explored course** is a relaxed and informal 3-week course that starts to offer an answer to those questions.

You don't need to know anything about the Bible. You won't be asked to read aloud, pray or sing. Each week there is a short video to watch and time for discussion. You can ask any questions you may have or just listen. **Scan the QR code for a taster.**

CHRISTMAS GREETINGS

from St Simon's

What's your favourite Christmas song? A traditional carol like 'O Little Town of Bethlehem' or 'Hark the Herald'? Something less traditional: 'Fairytale of New York'; 'Last Christmas'; or 'All I want for Christmas'?

Love those songs or loathe them, Christmas is the season full of singing! And the very first Christmas was no different. In the Christmas story recorded in the Bible, we find a whole cast of characters singing: Mary; the angels; shepherds; relatives, watchers on...all singing with joy! Why? Well listen to what the angel said:

"I bring you good news that will cause great joy for all the people. Today in the town of David, a Saviour has been born to you..." (Luke 2:10-11)

The good news is that in a world of darkness, death and disconnection, God has stepped into the world to be a Saviour. He offers to take our darkness, death and disconnection upon himself, so that we might know light, and life and love. To know those things not just at Christmas but for the rest of our lives and on into eternity itself. That's something worth singing about!

Which is why we warmly invite you to join in with the singing this Christmas at St Simon's. Come along to any of our services or events where we'd love to welcome you as we sing with joy.

From all at St Simon's, may I wish you a truly blessed Christmas and a joyful new year!
